

## **Student Survey of their Use of Technology at The Westwood School (2009)**

Pupils were asked to identify where and what forms of technology they had access to in their lessons around school. The following is a categorised list of their responses

### **Hardware and Equipment**

Plasma screens (whole school)  
Projectors (whole school;drama studio)  
SMART/Whiteboards (whole school)  
PCs (whole school)  
Apple Macs (Music)  
Laptops (Music)  
Electronic keyboards (Music)  
Stereo system (Music)  
Stage Lighting (Drama; Dance; Media)  
Video-ing equipment (Drama; Dance; Media)  
Digital cameras (whole school)  
Dataloggers and probes (Science)  
Green screen (Media)  
Blue screen (Drama)  
Radio  
Mobile phones (whole school)  
Stereos/Amps (Music)  
Vacuum packaging machine (Technology)  
Milling Machine (Technology workshop)  
Lasercutter (Technology workshop)  
Sanders (Technology workshop)  
Wood lathes (Technology workshop)  
Visualisers (Technology; English)  
Glue guns (Technology)  
Powerpacks (Science)  
Ammeters and Voltmeters (Science)  
Microscopes (Science)  
Voice recorder (English; Media; Languages;Drama)  
Probes (Food Tech)  
Digital scales (Food Tech; Science)  
Laminator (Library)  
Scanner (Library; Art)  
IPODS (Art)  
DVD players (Media)

### **Software and Applications**

Internet Search engines (whole school)  
Microsoft Applications (whole school)  
Education City (S&L)  
My Maths (Maths)  
Moviemaker ((ICT)  
Scratch (ICT)  
Pivot (ICT)  
Simulation software 'Croc clips' (Technology)  
Datalogging software (Science)  
Apple 'guitar garage' (Music)  
Logic software (Music)  
You tube (whole school)  
Online animations/video (whole school)  
Thumbprint (library)  
Serif draw and photo (Art)  
Whiteboard games (Languages)  
CAD/CAM (Technology)  
Solidworks (Technology)  
2D Techsoft (Technology)  
Nintendo and Playstation (Youth office/SEN)  
Linguascope (Languages)  
Moviemaker (Drama; English; Dance)
